

ORBIT

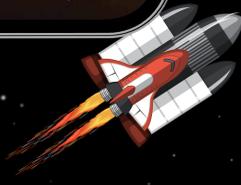

Embark on a celestial journey amidst a galaxy filled with tiny objects, planets as obstacles, and shining stars as your goal.

Challenge friends and players worldwide to top the leaderboards in 'Orbit,' where mastering gravity is the key to cosmic success.

Star-Powered Scoring

Collect stars to boost your score and achieve victory, but avoid contact with planets to prevent failure.

Plan your moves

with precision, avoiding planets while chasing stars, and progress through increasingly complex levels.
